Subject: IMI 2.0 data entry portal

Dear Madam/Sir

As you are aware that Intensified Mission Indradhanush 2.0 will be implemented from December 2019 to March 2020. In this regard, a portal for IMI 2.0 has been developed for data entry. The states have been oriented about the said portal in the national training for Strengthening Routine Immunization held on 15th October 2019. It has also been informed that the entry will be done at the district level for all the blocks of select IMI 2.0 districts.

This is to inform that user credentials (username and password) for the district will be provided by 8th November 2019. The portal can be accessed at the URL provided from 15th November 2019.

URL for IMI 2.0 portal: <https://imi2.nhp.gov.in>

It is therefore requested to advise the concerned officials to nominate the nodal person at district level for the data entry during 4 rounds of IMI 2.0 from December 2019 to March 2020.

Yours sincerely

Dr. S. K. Sikdar
Additional Commissioner (Imm.)
